How does CATALYST SMART give you the profitable business experience in India?

Over the decade Catalyst has been a step forward to provide an upper-hand solution to our clients, hence we have come up with CATALYST SMART.

With the increase in demand, the requirement to develop new vendors becomes essential, But maintaining several vendors is a challenge ! Catalyst resolves it for you,

Instead of handling multiple vendors, with there terms & conditions and supply issues; catalyst will work for you and become your one-window solution.

With the help of CATALYST SMART your supply chain person can get more time to focus on core projects.

Our quality professionals are capable to provide cost effective and on time delivery solutions to increase your profitability.

-  Excessive hassle with vendor management
-  Supplier selection and Auditing.
-  Challenging supply chain management
-  Rejection due to quality issues & missing stocks

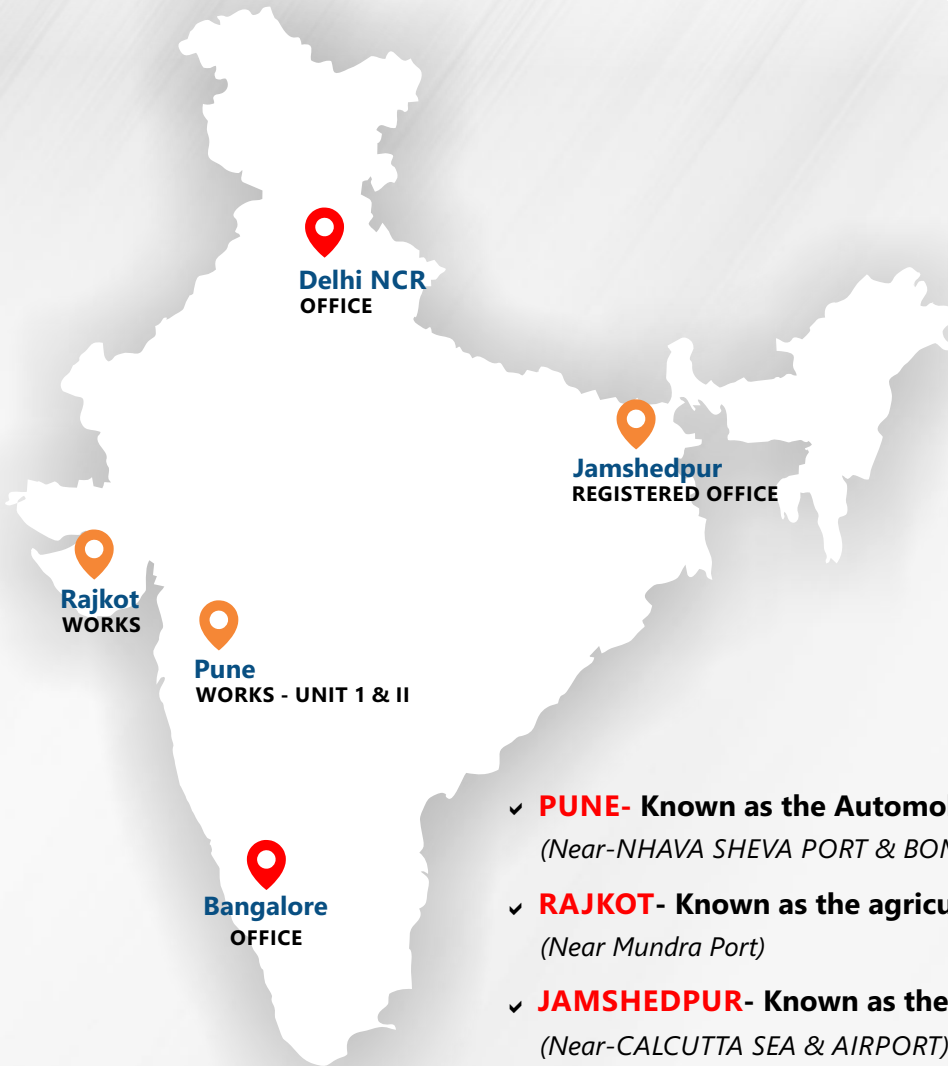

-  Huge workforce deployment
-  Quality controls & failure analysis
-  High inventory carrying costs
-  Hassle of multiple payment terms & incoterms
-  Paying for multiple transactions.

You name it we do it for you

-  We do it for you through our one-window solution
-  Technical support with our skilled professionals
-  Timely completion of the projects at an optimized cost

-  Reduced diversified focus
-  Free inventory carrying cost upto 60 days
-  You pay us and we pay for you
-  Successfully practicing with overseas clients
